Weight Room Continued

Connect

- Club runs weekly, Tuesday - Thursday
- 40 signed permission slips
- 15- 30 students in attendance
- 15 consistent students weekly
- Faculty have volunteered to join us

" In case I get bored, I can sign up and play dodgeball and it is fun."

~ Zandor F.

" I started in October and I made a new friend."

~ Mya W.

" I like all sports. I think the younger kids next year would like getting out of the house and being able to play with friends."

Inspire

Encouraging teamwork, leadership skills, time management, healthy hobbies, and improving social skills.

Encouraging healthy socializing and sportsmanship.

Students are taking leadership roles and teaching their peers about new games.

Students are adapting to time management and communicating when and why they are not able to attend.

“I like to stay after school instead of going home. I am in 6th grade and come every Tuesday, Wednesday, and Thursday. I like to play volleyball. Everyone should come because it is fun. It gets kids ready for 7th and 8th grade sports. Also, kids should come to socialize.”

~ Atlantis H

Support

- Supporting students with an incentive to be at school
- Supporting open communication between peers and adults
- Working to reduce inappropriate behaviors

“ I come often and it is something fun to do. We play a lot of different sports. Some people get into arguments, but work through it. We have a lot of fun with friends.”

~ Callen T.

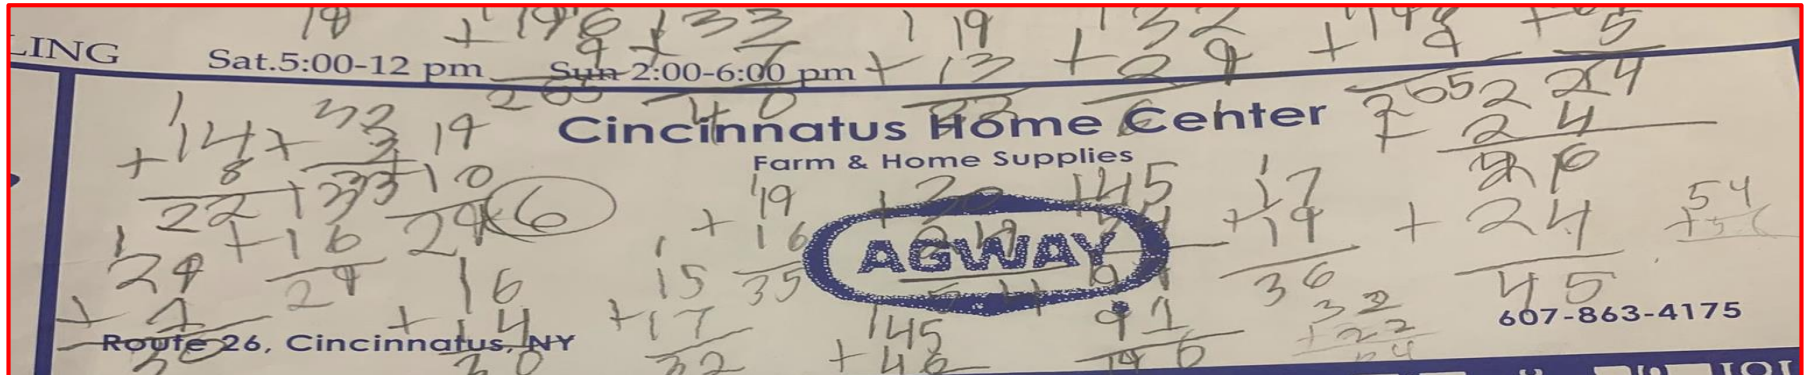

“ I like going because we play card and board games, and sports like basketball and kickball. I am in 6th grade and want the new 5th and 6th graders to be able to enjoy this club next year. Also, we get to hang out with our friends longer. We are learning about social skills.

~ Alexis T.

Educate

Encouraging Student Engagement

- Reading through directions
- Listening to directions (follow through as a group)
 - Math strategies practiced through games
 - Setting up equipment
- Taking responsibility to get signed up each week
 - Working through disagreements
- Practicing dignity and grace during activities

What's All The BUZZ...

“ I look forward to playing with my friends at the end of the day.” ~ Silas B.

“ I am in 6th grade and I’m looking forward to track stuff. My favorite thing that we’ve done was bowling.” ~ Landon L.

“ I like doing board games and yard games. I like coming to school so I can come to enrichment.” ~ Brandi M.

“ My favorite thing we did was basketball. I think we should keep this for next year because it teaches kids how to get ready for 7th grade sports.” ~ Sophia S.

CINCY LIONS

- Making connections while giving the opportunity for extra support
 - Promoting exploration
- Investing time that to helps create future productive community members- locally and worldly

We have the power to shape young minds into believing that they are capable of great things!

Resilient, Confident, Trusting, Perseverance, Cooperative, Respecting, Empathetic

THANK YOU
