

**Project Description:** Your task is to explore civic issues facing you, your school or your community. Choose an issue that is important or interesting to you and complete the following:

- A clear and detailed description of the issue you chose, including both sides of the argument (Pro and Con)
- A description of at least two possible solutions to the problem presented by your issue
- A clear, well supported argument explaining the one solution to this problem that you would choose to address your issue.
- A reflection on your learning
- A presentation
- A list of all of works cited (sources you used)
- An Action Plan & Letter

Final Projects are Due \_\_\_\_\_

## Presenting Your Issue: You Have Choices!

Once you are finished researching your issue, you need to make a plan to share what you have learned to your classmates. How you do this is up to you! There are several choices listed below. Choose the one that you think will work best for you - and be creative!

**NOTE:** No matter which option you choose, you MUST do the following:

- Describe your issue clearly and in detail
- Identify and explain both sides of this issue (Pros and Cons)
- Describe your solution to the issue/problem
- Identify & support your position (opinion about the issue) with specific details
- Summary/Reflection
- Provide a list of Works Cited

### **Project Choices**

1. [Make a Video / Ted Talk](#) - you can make a documentary, a commercial, or do a Newscast.
2. [Create a Newspaper](#) - Make your information into a single article or a whole front page (be sure to include images!)
3. [Deliver a Speech](#) - "Get on your soapbox" and speak to the class about your topic. You should include some images to show us.
4. [Make a Poster](#)- Use a combination of images and text to deliver your information!
5. [Create a Comic/Graphic Novel](#) - blend your artistic skills with the knowledge you've gained from your research
6. [Make a Podcast](#)- It's like making a speech, but you record it ahead of time!
7. [Create a Pamphlet](#)- Use words and images on paper to present your issue to the class.(Usually multiple copies to hand out)
8. [Prepare a Presentation on Google Slides](#)-Be sure to include text and images to deliver your information.
9. [Write and Perform a Song](#) - Are you a singer/songwriter? Deliver your information with a song (or rap). You can do it live or pre-record it!
10. [Do You Have Another Idea?](#) - Let me know what it is!
